Heritage Park in McDonough, Georgia is the site of the Veterans Wall of Honor, a unique national monument that pays tribute to all men and women who served in the Armed Forces of the United States of America.

The monument sits on a 2 1/2 acre hilltop site directly behind the unique buildings that make up the historic Heritage Village at Heritage Park. Old Glory, the 50 state flags and the emblems of all the military branches provide a grand backdrop for the focal point, a 75-foot long granite wall laser engraved with depictions of various scenes of battle and service by our military as well as famous quotes by our nation's leaders and excerpts from inspirational poems.

Anyone, regardless of their home state, may honor a loved one or show support for this beautiful monument, by purchasing a 4 x 8 paving brick inscribed with up to 3 lines of print (14 letters, characters or spaces per line) for $35 or a 12" x 12" brick inscribed with up to 4 lines of print (16 characters or spaces per line) for $175.
